---

## Guest Speaker

**Bruce Slutsky,**  
Technical Reference Librarian  
*Robert Van Houten Library,*  
*NJIT*

<http://library.njit.edu/staff/slutsky>

***HOW TO FIND INFORMATION  
IN CHEMISTRY AND  
CHEMICAL ENGINEERING***

The aim of the presentation is to show chemical engineering graduate students how to use electronic and print resources to find published information needed for their courses and research at NJIT.
