

NJIT
Department of Chemical, Biological and Pharmaceutical Engineering

SEMINAR ANNOUNCEMENT

Course: ChE 794 Professional Presentation

Thursday, Oct 29, 2009

Room T321B

4:00 – 5:25 PM .

Ramana Susarla

Mathematical Modeling of Drug Release from Spherical Matrix Systems: Analysis of the Effect of Absorption Rate on Rate of Drug Release

Ezinwa Elele

Electro-hydrodynamic Printing of Personalized Drug Dosages

Dhananjay Singh

Precipitation of Ultrafine Particles of API using Supercritical Fluid Technology

Additional Information

Boris Khusid x3316, khusid@adm.njit.edu
